

International HIV/AIDS Web Sites and Listserves
Compiled by the Synergy Project
October 2000

Web Sites

AEGIS: www.aegis.com

A major HIV/AIDS web clearinghouse. Provides links to media, scientific, education, governmental and prevention organizations worldwide.

AIDS Foundation South Africa: www.isisa.co.za/isisa/aids/default.htm

Provides funding and program information for organizations seeking to mitigate the impact of AIDS in South Africa.

AIDS Impact: www.fhi.org/en/aids/impact/impact.html

Provides information on projects that build the capacity of local governments and non-governmental organizations to design, manage, and evaluate HIV/AIDS prevention and care projects worldwide.

AIDSMark: www.psiwash.org/psi_ops/aidsmark.htm

Provides information on social marketing projects to prevent the spread of HIV/AIDS and other sexually transmitted infections.

The Body: www.thebody.org

A comprehensive HIV/AIDS information resource covering more than 250 topic areas.

CARE AIDS Information Center: www.care.org/info_center/aidsinfo/index.html

Provides CARE program information and links to HIV/AIDS web sites.

Centers for Disease Control: www.cdc.gov/hiv/dhap.htm

Home site of CDC's Division of HIV/AIDS Prevention. Provides epidemiological information.

CDC National Prevention Information Network: www.cdcnpin.org

Facilitates the sharing of information and resources on HIV and AIDS for all individuals searching for prevention information.

European Union HIV/AIDS Program in Developing Countries:

www.europa.eu.int/comm/development/aids/

Provides information on the EU's program activities, conferences, publications, and funding guidelines.

Fondation du Present: www.hivnet.ch

The major Swiss information and exchange site on HIV/AIDS. Provides regional and topic-specific prevention information.

Harvard AIDS Institute: www.hsph.harvard.edu/hai/

Provides information on HIV/AIDS research, education, and training.

Horizons: www.popcouncil.org/horizons/horizons.html

Provides information on operations research and best practices in HIV/AIDS.

International AIDS Economics Network: www.iaen.org/

Provides information on economic impact of HIV/AIDS.

International AIDS Society: www.ias.se/

Home page of IAS, a federation of regional and national AIDS societies. Includes information on HIV/AIDS policy and conferences.

International AIDS Vaccine Initiative: www.iavi.org

Provides information on IAVI initiatives and updates on vaccine research.

International Coalition on AIDS and Development: www.icad-cisd.com/

Home page of ICAD, a network of Canadian voluntary sector organizations concerned with HIV/AIDS and development issues. Provides topical and regional fact sheets, conference information, and links to HIV/AIDS web sites.

International Council of AIDS Service Organizations: www.icaso.org/

Home site of ICASO, an international network of community-based AIDS organizations. Provides conference and policy information.

Johns Hopkins University AIDS Service: www.hopkins-aids.edu/

Provides information on treatment, prevention, and epidemiology.

JAMA HIV/AIDS Information Center: www.ama-assn.org/special/hiv/hivhome.htm

Provides information on HIV/AIDS education, prevention, treatment and policy, from the Journal of the American Medical Association.

Measure Evaluation: www.cpc.unc.edu/measure/home.html

Provides guidance on best practices in HIV/AIDS monitoring and evaluation, as well as how to improve indicators and data collection instruments.

National AIDS Control Organisation (India): www.naco.nic.in/

Provides policy and epidemiological information on India's epidemic.

Pan American Health Organization: www.paho.org

Provides some policy and epidemiological information on HIV/AIDS in the Americas.

SEA-AIDS: <http://unaidsapict.inet.co.th/>

An information support service for people living or working with HIV/AIDS in the Asia-Pacific region.

Southern Africa AIDS Information Dissemination Service: www.saf aids.org

Provides information on capacity building to address the socioeconomic impact of AIDS and to promote HIV prevention in southern Africa.

The Synergy Project: www.synergyaids.com

Provides information on global HIV/AIDS program management and policy development, program design, monitoring and evaluation, and lessons learned/best practices. Also provides links to USAID's HIV/AIDS partners.

UNAIDS: www.unaids.org

Home site of the Joint United Nations Programme on HIV/AIDS. Provides epidemiological and policy information by topic and country.

UNDP HIV and Development Programme: www.undp.org/hiv/index.htm

Provides information on UNDP's HIV/AIDS program activities, topical and regional information, and links to HIV/AIDS web sites.

USAID: www.usaid.gov/pop_health/aids/index.html

Provides basic information on USAID and its global HIV/AIDS portfolio.

US Bureau of Census: www.census.gov/ipc/www/hivaidsd.html

HIV/AIDS Surveillance Database includes epidemiologic data by country, city, and target group.

University of California at San Francisco (UCSF) Center for AIDS Prevention Studies: www.caps.ucsf.edu/
Provides information on theory-based research that affects the theory, practice, and policy of AIDS prevention.

UCSF HIVInsite: <http://hivinsite.ucsf.edu/>

A major HIV/AIDS web gateway that provides a range of medical, prevention, policy, and statistical information

World Bank AIDS Economics: www.worldbank.org/aids-econ/

Provides information on World Bank programs and publications, and tools for researchers and policymakers interested in the economic aspects of the epidemic.

WHO Initiative on HIV/AIDS: www.who.int/HIV_AIDS/first.html

Provides country and regional epidemiological information, in addition to information on WHO publications and conferences..

ListSerts

Hivaidsmf-subscribe@listbot.com

Listserv for health and microenterprise professionals interested in the role of microenterprise interventions in addressing HIV.

www.hivnet.ch/aids98/home.html

Home page for HealthDEV on-line discussion forums, including:

- SEA-AIDS (AIDS in the Asia-Pacific Region)

- AF-AIDS (AIDS in Africa)

- INTAIDS (International AIDS issues)

- Gender-AIDS (AIDS and gender)

- Media-AIDS (AIDS and media/communications)

Listproc@info.usaid.gov

USAID's Children Affected By AIDS (CABA) Electronic Discussion Forum

Archives: www.usaid.gov/pop_health/caba/

Listserv@cdcnac.aspensys.com

CDC's AIDS News Listserv

majordomo@wubios.wustl.edu

The oldest and most active HIV/AIDS list. It includes the CDC's NCHSTP Daily News Update and many discussions about contemporary topics concerning HIV/AIDS.

listserv@uicvm.uic.edu

Listserv for the AIDS Book Review Journal, also available as an electronic publication. By subscribing to the listserv you will automatically receive reviews as they are posted, and you can also submit reviews of your own.

International AIDS Economics Network: www.iaen.org/

Hosts listserv for professionals interested in AIDS and economics (e.g., impact of AIDS on economics, cost-effectiveness analysis).
